

Rising sun for solar

Peakhurst business Australia Wide Solar received a visit from Greens MP John Kaye as part of recent Pollies for Small Business week, said:

Australia Wide Solar's Richard Keetley and Stewart Everitt and their team are doing a great job for the region installing panels and helping households reduce their carbon footprint.

Dr Kaye said that he was impressed with the achievements of directors Richard Keetley and Stewart Everitt, and their staff.

"They are doing a great job for the region installing panels and helping households reduce their carbon footprint", he said. Dr Kaye also commended them on creating six new jobs.
